

# YOUTH POLLINATOR HABITAT PROGRAM SEED ORDER FORM

*This order form is specific to Pheasants Forever & Quail Forever Youth Pollinator Habitat Projects. A custom mix that provides the best wildlife habitat possible will be created based on your location and soil type. Please order your seed at least 3 weeks prior to your project date. The cost of your pollinator seed mix will be \$500 and will cover projects from ½ - 1 acre in size (price includes shipping). For projects larger than one acre, please contact Drew Larsen @ [dlarsen@pheasantsforever.org](mailto:dlarsen@pheasantsforever.org) or 308-293-1194 for a price quote.*
