## Raffle Techniques

- Penny Raffle - Purchase 500 bands. Band Number 1 is sold for \$.01 and Band Number 500 is sold for \$5.00 Sell all 500 and you will bring in \$1,252.50 (other dollar amounts can be applied to yield a higher profit ) or you can round to the nearest even number to simplify the money exchange and generate a little more money. For example band number 279 would cost \$2.80 Band number 153 would be \$1.50 and Band number 8 would be \$.10.
- Purchase 250 bands and sell them for \$10 each to raise \$2,500. This method increases the odds of winning to 1 in 250, less the cost of the item being raffled.
- Purchase 500 and sell for \$5 each to raise \$2,500. At the lower price, you may sell more. Or raise it to \$10 to raise \$5,000!
