

# 2015-2016 Preferred Vendor Program

**A5 Hunter.** 12 gauge, 28" barrel, 3" chamber. This isn't your Grandpa's Auto-5. In fact, the iconic humpback-shaped receiver is the only thing this new Browning autoloader shares with its legendary namesake. The all new Browning A5 is built to be the most reliable, fastest cycling, best performing and softest shooting recoil-operated (yes, recoil-operated) autoloader on the planet. Wholesale: \$1,285 Retail Price: \$1579

**Maxus Hunter.** 12 gauge, 28" barrel, 3" chamber. The Power Drive Gas System is designed to perform under harsh hunting and shooting conditions with a wide array of loads. But reliability isn't the whole story. The Maxus delivers less felt recoil for greater comfort, less muzzle jump for more accurate follow-up shots, faster bolt speed and faster lock time than the nearest competitor. Wholesale: \$1,220 Retail Price: \$1,499

**Silver Lightning.** Available in 12 gauge, 28" barrel in Lightning and in 20 gauge, 26" in the Hunter. Features an aluminum alloy receiver with a silver finish, classic Lightning-style walnut stock, active valve gas system for wide range of load cycling and Invector-Plus choke tubes. Wholesale: \$945 Retail: \$1,179 Available in Micro (Youth or Ladies Gun)

**BPS Hunter.** This classic Browning pump comes in the Hunter style stock. It is available in 12 or 20 gauge. Key features include a forged and machined steel receiver with bottom ejection, dual steel action bars, and top tang safety. Satin finished walnut with invector plus choke tubes. Wholesale: \$545 Retail Price: \$699 Available in Micro (Youth or Ladies Gun)

**A-Bolt III Stalker.** This is the best perceived value rifle in Browning's line. With a short 60" bolt lift, free floating barrel and chrome-plated trigger sear for a clean, crisp trigger pull. This rifle will stand up to whatever your next adventure may be. Available in calibers of .30-06, .270 Win. Other calibers are available upon request. Wholesale: \$475 Retail Price: \$599.

**BL-22 Grade I:** The BL-22 is perfect for both new and seasoned shooters. Newbies will appreciate features like confidence-building accuracy, a short 33" lever throw for fast cycling and a trigger that travels with the lever to prevent finger pinch. Experienced types will love the easy handling, light weight and quality construction. Whatever the reason, a BL-22 is a must have for every gun collection. Wholesale: \$495, Retail: \$619. Available in Micro (Youth or Ladies Gun).

**Citori White Lightning.** This is a fine choice as opposed to "blued" over unders. But don't be afraid that the steel receiver is unprotected: the natural color steel receiver and trigger guard are protected from corrosion by a durable coating process called a "nitrided" finish, offering similar protection to bluing. Just with a uniquely elegant and attractive look. Available in 12 gauge and 20 gauge. Wholesale: \$1,630 Retail Price: \$2,069.

**Citori 725 Sporting.** With a new low profile receiver, the 725 creates more "one with the gun" feel and moves the gun down for faster target acquisition. The new Fire Lite Trigger System and Invector Plus Double Seal Technology advances the 725 into a new class of over under shotguns. Available in 12 & 20 gauge 30" & 32". Wholesale: \$2,475 Retail Price: \$3,139. Also available in the Field model; 12 Gauge 28" (flush chokes/no barrel porting or fiber optic sight (not pictured)). Wholesale: \$1,948 Retail: \$2,469

**Cynergy Field:** This Field model weighs just a tad over 7 lbs. in a 12 gauge with 26" barrel. It's a perfect weight for carrying and sweet to swing with its ventilated top and side ribs on fast-flushing birds and yet very strong with its engraved steel receiver. The MonoLock Hinge means there is 300% more surface area to pivot on, for less wear and more stability. Offered in 12 ga Wholesale: \$1475. Retail: \$1869; and 20 ga Wholesale: \$1525. Retail \$1939.

**X-Bolt Hunter.** With the low-luster finish on the solid steel receiver, barrel and Walnut prevents glare and reflection. It has the complete X-Bolt package: crisp Feather Trigger with no take-up or creep, preferred by experienced hunters, a center-fed Rotary magazine, X-Lock System and a soft Inflex recoil pad — every feature combines to make this X-Bolt rifle ideal for hunting deer and elk to varmints. Wholesale: \$748 Retail Price: \$949 Available in Micro (Youth or Ladies Gun)
