The following guidelines govern the award of all grants made under the auspices of the MidwayUSA Foundation, Inc. Team Endowment Account Program. **In order for a shooting team to be eligible for a grant, the Foundation must have received donations naming the shooting team as the suggested beneficiary. Grants are not available to shooting programs that do not have a fund balance.**

The maximum grant amount each year is equal to 5% of your individual team's account balance. This balance can be found on the MidwayUSA Foundation website (www.midwayusafoundation.org), under the "Find a Team" tab.

Please read this entire document prior to completing a grant application:
