

# PHEASANTS FOREVER & QUAIL FOREVER

## National Youth Leadership Council

### Chapter Agreement

#### What is the Pheasants Forever and Quail Forever National Youth Leadership Council?

The PF & QF National Youth Leadership Council (NYLC) is a group of young people from around the country that represent their age group on issues related to wildlife conservation and our outdoor traditions. Each NYLC representative is a Pheasants Forever or Quail Forever member age 12 – 18 who likes wildlife and is interested in hunting, conservation and being outdoors.

Each NYLC representative must be nominated by a chapter that agrees to help support and mentor these future leaders in conservation. A youth must be between the ages of 12 – 16 at the time of application to be nominated to the NYLC.
