

Youth Pollinator Habitat Project

Memorandum of Understanding

_____ (project name) is a joint effort between _____ Pheasants Forever & Quail Forever Chapter and _____ (School/Park/Land Owner/Tenant ect). The objectives of this project is to increase awareness about decreasing pollinator populations, educate the general public on the importance of habitat for pollinators, and to establish quality pollinator habitat. The results of this project will not only benefit pollinators by providing quality foraging and nesting habitat, but it will provide opportunities for youth/adults to get outside and gain an appreciation for wildlife and conservation.

Commitments

_____ is responsible for: controlling noxious weeds on project site.

_____ is responsible for: maintaining project for a minimum of 5 years after establishment date. May not be grazed, hayed or mowed.
