

SHARE YOUR INPUT ON REGIONAL WATER NEEDS AND PRIORITIES!

You're invited to help shape implementation.

It's time to build on statewide momentum and set a decade of strategies to implement the 2022 Kansas Water Plan.

Share your thoughts on:

- Regional water needs;
- Priorities and recommendations for funding;
- Policy changes;
- Ways to improve state capacity and water management;
- Effectiveness of programs; and
- Measurable goals and timelines.

Join the local consult workshop in your area and help us move beyond planning – it's time to implement!

Let us know you're attending!
