New PFQF Employees don't

New PFQF Employees are  
lifelong hunters

PRACTICE OUR  
MISSION  
&  
WIN A NEW GUN

### PLEDGE RULES

- You can enter as a mentor or mentee
- Hunt must have taken place this season (Aug 1st 2023 - March 1st 2024)
- Mentee must be a new hunter or lapsed for 3+ years
- Mentee must be 18 years or older

-We want to encourage mentorship among staff, so entries where both the mentee and mentor are PF & QF staff will count twice!

-Any legal form of hunting counts (not just upland birds)

### WHAT COUNTS AS MENTORSHIP?

- Taking someone hunting with you at least one time. It's that simple.
- You do NOT need to be an expert
- There is no formal process for finding a mentee, just ask someone at your gym, place of worship, your kid's friend's parent, etc.

-Resources for mentors can be found at [IHEA-USA.org](https://IHEA-USA.org)

From here you can talk about things like:

- What was meaningful about it
- A funny story about something silly that happened

Have fun and make it your own!
